## 8. Announcements and Staff Reports

- **Surface Transportation Block Grant-Urban and Transportation Alternatives Program Funding Solicitation:** The call for projects is now open. Details are available on the MPO website.
- **Charge Up Dane County Update:** The Dane County Office of Energy and Climate Change is continuing work on Charge Up Dane County and has begun identifying potential locations for up to 70 new electric vehicle charging station sites. There is no update yet on whether federal funding through the Charging and Fueling Infrastructure (CFI) grant program will be awarded for construction, but planning efforts are moving forward as scheduled.
- **MPO Federal Certification Renewal:** The certification review process was canceled.
- **FHWA Staff Changes:** Mary Forlenza has left FHWA. Jason Nordberg is now serving as the MPO's primary point of contact.
- **Federal Funding Update:** The Safe Streets for All (SS4A) discretionary grant agreement is still under review and has not yet been signed. This is a regional planning grant, and we hope to receive an update soon.
- **Active Transportation Plan for Dane County:** The MPO is leading the development of this plan. Public outreach has begun, including a community survey that received over 700 responses within the first 24 hours. MPO staff will be attending local events to promote the survey, and community partners are encouraged to help spread the word.
- **WisDOT Funding Symposium:** The Wisconsin Department of Transportation will host a virtual funding symposium in May, providing information on current funding opportunities.

## 9. Adjournment

Wood called for a motion to adjourn. Jetzer moved, Benedict seconded, and the motion carried. The meeting adjourned at 7:11 p.m. The next meeting will be held virtually on June 4, 2025.
